

INFORMATION ABOUT THE ICP

Sunday School

Loving God, Living Truth, Giving Grace,
Walking Together with the Spirit

From Birth to 11 with 4 different classes

Our Groups

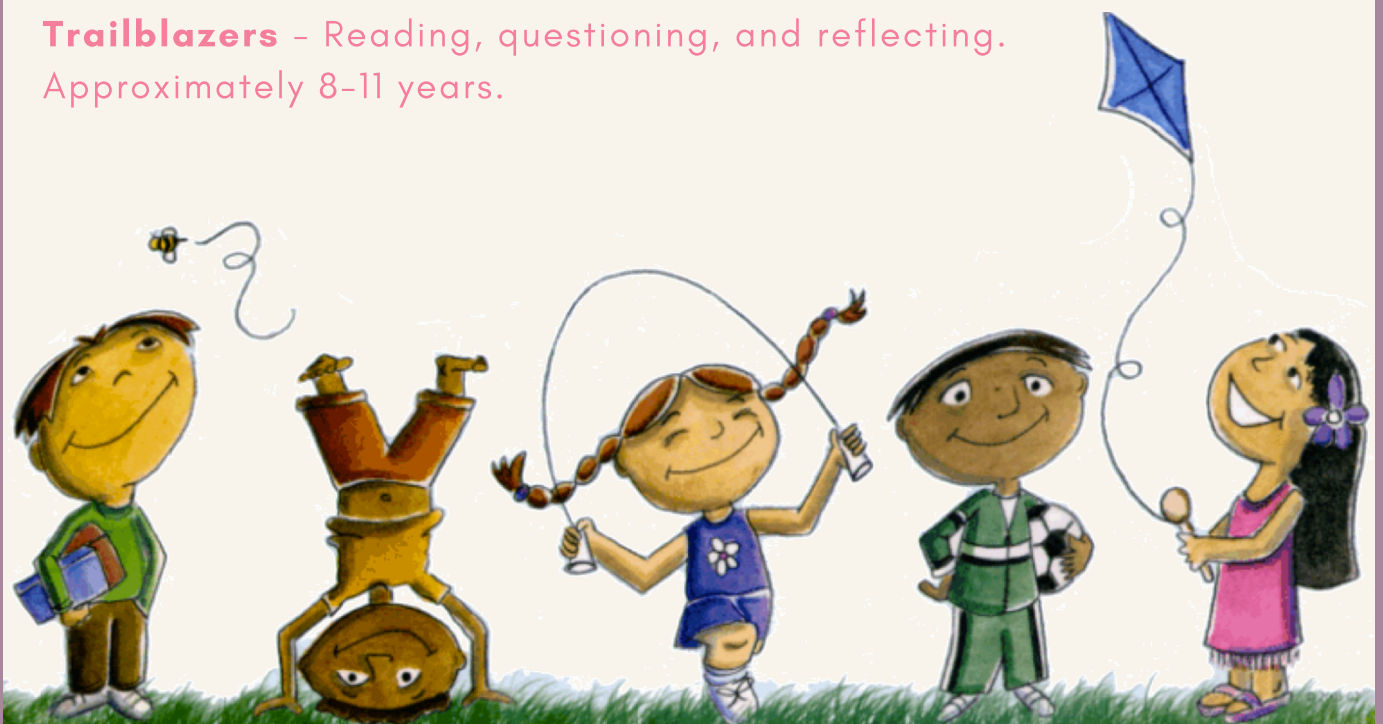

Our Sunday School groups are separated by skills and activities. This allows you and the teachers to pick the group most suited for your child. There are age guidelines, but they are flexible.

Nursery - no teaching, but we will look after your child here.
Approximately newborn - 2-3 years

Explorers - Singing, colouring, listening, and playing.
Approximately 3-5 years

Pathfinders - Listening, acting, crafting, and discussing.
Approximately 5-8 years

Trailblazers - Reading, questioning, and reflecting.
Approximately 8-11 years.

Safeguarding and Child Protection

All teachers attend a Child-Protection seminar which is open to all who would like to attend. We ensure there are two adults (or teens who've been trained) in each of our classes. Teachers, helpers, and children will wear name tags each Sunday. Parents will personally pick up their children from Sunday School and check them out with the teacher. Teachers will be responsible for the children until they are picked up by their parent or guardian.

Our full child protection policy is available by request.

Parental involvement

Parents can receive weekly emails with a suggested Bible passage which we'll be going over in class. You're invited to help out! We need about 30 volunteers on the Sunday School Rota each month! Typically, the rota allows you to teach only once per month and if you are unable to, you can use our mailing list to find your substitute. Please speak to one of the teachers for more details. One of the easiest ways to learn more is to be a helper one Sunday. The helper's job is to assist with class behavior and to help with getting drinks and snacks prepared.

Curriculum and Links

Our curriculum is accessible online from a Sunday School curriculum resource called Disciplr. <https://disciplr.com/faq>.

Disciplr offers a wide range of resources for collective worship, age-specific lesson plans, videos, printouts, and craft ideas. Each week, the Sunday School leadership team will select a lesson and the teachers will be able to access the resources to select the lesson plan which best suits their teaching style and the needs of their students.

If you have any trouble finding the lesson activities, please call Dan or Jennie and they can walk you through it.
